## BID ballot - September 2020

Happy New Year from the Redcliffe & Temple BID Development team.

The BID ballot is now only eight months away and we are continuing with our extensive consultation process. As well as planning more workshops, we are attending tenants meetings and individual meetings in order to ensure that businesses know all they need to ahead of the ballot.

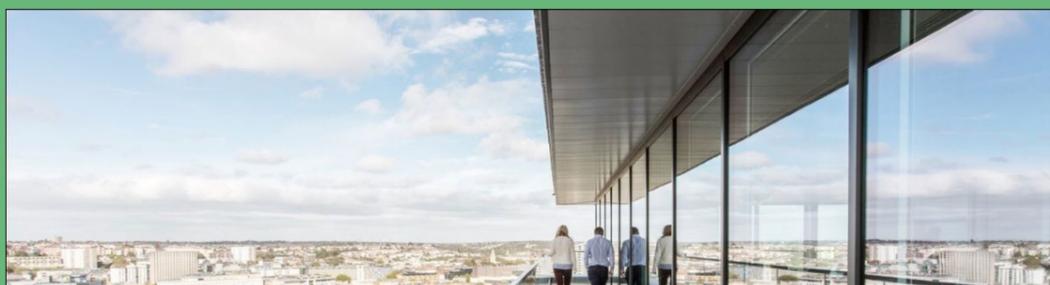

If successful, the Business Improvement District will commence on November 1st 2020, having secured around £5 million across a five year period to deliver projects for the benefit of businesses in the Redcliffe & Temple area.

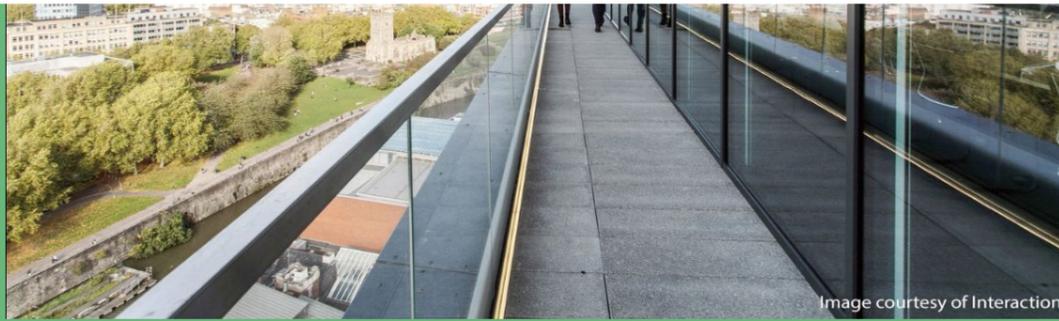

If you require any further details at this stage please contact [jo@redcliffeandtemplebid.co.uk](mailto:jo@redcliffeandtemplebid.co.uk).
