

The Invisible Circus & Loco Klub presents...

FAIRYTALE of BRITAIN NEW YORK

A 1920's Prohibition-Meets-Turbo Island
Immersive Theatre & Circus Dining Experience

Christmas with a twist...

Fairytale of Bristol returns after a sell-out 2022 season, once again transforming Bristol's Loco Klub into "Santarini's" - a secret subterranean speakeasy where the booze is chilled, the food is fabulous and the entertainment is exceptional!

From the moment you arrive, you're a part of the narrative - a classic whodunnit with rumours of a snitch! Larger-than-life characters lead you through a story of intrigue that reveals over dinner, culminating in a spectacular, circus-soaked finale!

Fairytale of Bristol is a uniquely-Bristolian, fun and memorable Christmas party - so slide into "Santarini's Speakeasy" for one memory-maker of a night...

"...it's that Bristol magic!"

The Venue

The Loco Klub is Bristol's iconic underground events space located beneath Temple Meads station.

A capacity of 200 guests, spread between 5 tunnels.

Transformed into an illicit underground den, perfect for decadent dining and secret shindiggery!

Immersive Entertainment

From arrival you'll feel like you've stepped into another world. In-character interactions with a whole cast of performers create a story that takes place everywhere within the venue.

The night is specifically designed for people to choose how interactive they want to be - so there's no pressure to participate. Scenes and interactions don't make anyone look silly or stupid!
