TAP for Bristol

Redcliffe & Temple BID and Babbasa: Helping to Build an Equitable Society & Transform Young Lives Sangeetha Wynter, Babbasa

Our Vision

A world where young people living in areas of disadvantage are inspired and able to realise their employment and enterprise ambitions, irrespective of where they live, their nationality, ethnicity, disability, gender, race, sexuality or faith

Our Mission

To inspire and support young people from low income and ethnic minority communities to pursue their professional ambitions

BRIS - Babbasa Recruitment & Inclusion Services

- Recruitment
- Workplace Inclusion Services
- EDI Training

Workplace Inclusion Health-checker

- This survey is used to gather basic EDI related data across a range of parameters. Allowing us to gain an insight into you organisation.
- Babbasa's Training and Inclusion manager will analyse the data.
- Recommendations are shared.
- A bespoke development plan outlining the EDI training/advisory will be created, with costs and timings.

Recruitment

- Marketing & Vacancy Promotion Support.
- Talent Acquisition for work experience, short term and permanent employment opportunities.
- Advisory support to help create more inclusive applications and interview practices

Partnership includes

- Initial investment for 15 organisations to complete Babbasa
 Workplace Inclusion Health Checker and receive a personalised EDI Development Plan
 - General findings/trends also disseminated to membership
- Follow up investment for 5 of those organisations who are ready to recruit an underrepresented young person via Babbasa's recruitment service

Mid-term survey headlines

- Conducted as we're mid-way through our BID term to review progress and shape priorities
- Over 100 respondents representing 57 businesses
- Open to fill in from 25th Sept 20th October
- Some positive feedback and opportunities to consider
- Working our way through detailed feedback

Topline results - Positives

- 90% of respondents strongly agreed or agreed that R&T is a desirable place to work
- Over 75% of respondents strongly agreed or agreed that R&T is a wellmaintained area
- Traffic speeds and vandalism ranked the lowest concern

'Really good to be kept informed with these emails, the Dr Bike is brilliant, but often booked up, would be good to have more sessions.'

'The BID work is great and knowing everything that you do makes us more part of the community that is the BID. Everything from street cleansing to food markets and networking events are great so please keep it up!'

'Really enjoy the newsletters and updates with free events and activities we can take part in.'

'I loved the walking tours! Great way to learn about the area and get to know others in it'

Topline results - Opportunities

- Nearly 50% of respondents don't think the area has enough green space
- Rough sleeping/begging and pedestrian/road safety ranked highest concern
- The average answer to 'How informed do you feel about our work in the BID area returned an average answer of 4/10
- Two-thirds follow us on social media please give us a follow:
 - LinkedIn Instagram Facebook

'Graffiti is still a huge problem despite the great work of the BID street cleaning team'

'Some concerns re. vehicle theft and the safety of my female colleagues in the evenings'

Next steps

- 1. Thorough analysis of results
- 2. Review and refine our BID project plans to align with actionable opportunities
- 3. Exploring opportunities to better share our work and engage a wider audience
